WHAT IS THE PROFILE OF A PROSPECTIVE NEW MEMBER

An important distinction between Rotary and other organizations is that membership in Rotary is by invitation.

A primary goal of the club is to continually expand the club with committed members who have the interest and ability to get involved in service and humanitarian projects. Prospective members must:

1. Hold – or be retired from – a professional, proprietary, executive or managerial position.
2. Have the capacity to meet the club's weekly attendance or community project participation requirements.
3. Live or work within the locality of the club or surrounding area.

Rotary uses a classification to establish and maintain a vibrant cross-section or representation of the community's business, vocational and professional interests among members and to develop a pool of resources and expertise to successfully implement service projects.
